Instructions

1. Preferred Stitch Design _____

You can view all the stitch patterns here:

<https://royaljasmyn.com/quilting-information-form/>

2. Preferred Wadding _____

I prefer to work with natural fibres; cotton, bamboo, wool, wool/poly or similar combos. Preferable with a low to medium loft. Which one would you like?

3. Preferred Backing Colour _____

Please Note: When choosing your backing fabric, be mindful that I use the same thread colour for the bobbin as for the quilt top, so you may prefer a similar colouring to your quilt top or perhaps a more contrast finish is desirable. The choice is yours!

You can view the backings here:
